

**Nicaragua Mission Trip 2009**  
**Sunday, June 14 - Saturday, June 20**

**Description**

This trip will support the ongoing work of Amigos for Christ, a Gwinnett County based relief organization. We will be continuing to build new structures and show Christian love through relationship building. There is physical work with 1-2 days of non-physical activity during the week. Alternative activities are Vacation Bible School and bead making.

Sugarloaf UMC has done this trip several times before, and it typically involves a mix of first timers and veterans. Several people from our church intended to go one time and are making their 5<sup>th</sup> trip this year. We will be staying in a large home near Chinandega, Nicaragua, and working in and around Villa Catalina nearby.
