

Welcome to the Sugarloaf ShelbyNext website and Membership app!

This user guide will walk you through a brief set of instructions to launch the app on your mobile device and get you logged on.

But first, what are the benefits of using the app??

1) Check-in – The Check-in feature allows everyone who attends in-person Sunday morning services to check-in with us each week. Check-in will eventually replace the <u>Keep in Touch Cards</u>, continuing our transition to a digital experience. We will also use Check-in for Kids Sunday morning classes. Keep an eye out for future communications from the Kids ministry team.

2) Contact Tracing – The Check-in feature is <u>VERY</u> important! By checking in each week, you will be the first to know if circumstances arise requiring church staff to initiate COVID-19 contact tracing protocols.

3) Directory – The ShelbyNext software contains the Sugarloaf family Directory. It is a convenient way to help everyone stay in touch. If you are new to Sugarloaf, please see the <u>New User</u> slide below or speak with one of our staff at Guest Services on campus and they will be happy to help you.

https://sugarloaf.shelbynextchms.com/user/login

- Before downloading the <u>ShelbyNext</u> <u>Membership</u> app, let's see if you already have an account set up.
- Look in your email inbox. If you received a separate email from Sugarloaf UMC that says "You have been given a Shelby Next ChMS account" then click the "You can login here" link in that email and you'll land on a screen like the one on this page. (See bottom left of this page for the same link)
- Enter the username and temporary password provided in the email and click "Login" then go to the next slide.
- <u>Note:</u> If you do not have a separate email with account information, then skip to the <u>New User</u> slide below.

- After entering your username and temporary password provided in the separate email, you'll land on a welcome page like below.
- If you want to keep your temporary password, skip this next step. We encourage everyone to create a new password now by clicking the "My Info" button.

is below here

 Under the "Account" tab, follow the change password instructions then hit the "Save" button at the bottom of the screen (*not shown here*). A message "Updated Account!" will appear to confirm your save. We encourage you to explore the other tabs and edit your information or settings as needed before logging on to the Membership app.

L	Directory		>
	ሱ ጵ Check-In		
	Jeremiah	Tester	

- Once you log into the app you should land on a screen like this one.
- Unless you are new to Sugarloaf you will see "<u>Directory</u>" and "<u>Check-In</u>" on this home screen.
- Click on **Directory** to see basic contact information for everyone in the Sugarloaf family. If any of your information is incorrect you can change it by logging on to your account here (you can't make account changes while in the app): <u>https://sugarloaf.shelbynextchms.com/user/login</u>
- Note: The **Directory** is monitored by church staff and is only visible to authorized individuals to maintain confidentiality. Email terri@sugarloaf.org for questions.
- Now click on the Check-In button to explore the Check-In process

• Follow the steps below each Sunday to complete the event Check In process

- You are now Checked In!!
- Here are some additional important notes:
- You can Check In when you are on campus or you can Check In before you leave your home. The Check In feature has a 20-mile radius.
 - Do not use the app while driving in accordance with state law.
- The Checked In status will remain the same all day. The software resets each night, clearing the status for everyone. When you log in the next week, or for a mid-week event, the status will be cleared so you can Check In again.
- If multiple family members appear on the Check In screen of the app, you can follow the same steps as above to check your family members in as well. **Once SUMC resumes Kids Sunday classes you will be able to check in your children on the app and remotely print the name badges to have the badges are waiting for you when you arrive on campus. Watch out for more communication from the Kids Ministry.**
- If you are a <u>New User</u>, please go to the next slide.

- After hitting the Save button, you will return to this home screen
- You are now ready to Check In by following the instructions noted in the above slides.
- If you have any questions about the Check In process or questions about the Directory, please:
- 1) Email <u>terri@sugarloaf.org</u> or jeff@sugarloaf.org

2) Look for a Guest Services desk or kiosk when you are on campus.

Thanks!!
